Alexandria, VA 22313-1450

Sir:

This is in response to the Restriction Requirement of November 4, 2003.

Applicants, by their undersigned representative, hereby elect the invention of Group IV, which is drawn to a method of injecting a two part urethane wherein the cream time and rise time are controlled, and represented by claims 14-17 and 82.

Having made the required election, a full examination on the merits of the elected invention is hereby requested.

Respectfully submitted,

Kiichi YAMASHITA et al.
